Dear Mr Rust

**Determination to issue an amended application for a site compatibility certificate for Lot 81 DP 794283, Lot 1 DP 84936 and Lots 532 and 533 DP 752049, Queen Mary Building, Royal Prince Alfred Hospital, Camperdown - State Environmental Planning Policy (Infrastructure) 2007**

I refer to your letter of 2 August 2011, advising of inconsistencies between the site compatibility certificate issued on 2 May 2011 for the subject site under *State Environmental Planning Policy (Infrastructure) 2007* (the SEPP) and the development application that has been lodged with the City of Sydney Council. You also requested confirmation that the site compatibility certificate remains valid.

I have determined to issue a new site compatibility certificate under clause 19(5) of the SEPP. I attach the Certificate of Site Compatibility.

If you have any questions in relation to this matter, please contact Juliet Grant, Regional Director Sydney Region East on (02) 9228 6113.

Yours sincerely

  
Sam Haddad  
Director General
