Dear Lisa

**Application for Site Compatibility Certificate for proposed Senior Living Development at Part Lot 100 DP 751279 and Lots 1 & 2 DP1165344 and known as 43 Old Saddleback Road, Kiama – Amended Layout Plan**

I refer to my letter dated 19 October 2016.

Kiama Council's arborist has requested that Dwellings 18 and 19 in the proposed Seniors Estate be moved slightly to provide a more generous Tree Preservation Zone around the fig tree on the site.

Attached is a revised layout plan for the proposed Seniors Estate together with a copy of the correspondence with Peter Gill, the Council's arborist, confirming that the revised layout plan is supported by the Council in principle.

I request that the revised layout plan attached be substituted for the plan which originally accompanied the Site Compatibility Certificate application.

Kindly acknowledge receipt of this letter at your earliest convenience.

Yours sincerely

  
**Graham Werry**  
Corporate Counsel
