

Mr Wayne Wallis
General Manager
Port Stephens Council
PO Box 42
RAYMOND TERRACE NSW 2324

Dear Mr Wallis

Determination of application for a site compatibility certificate for 88 Shoal Bay Road, Nelson Bay – State Environmental Planning Policy (Housing for Seniors or People with a Disability) 2004

I refer to the application, submitted by Wests Group Australia (Wests), for a site compatibility certificate for a proposed seniors living development at 88 Shoal Bay Road, Nelson Bay under State Environmental Planning Policy (Housing for Seniors or People with a Disability) 2004 (Seniors Housing SEPP).

I, the Deputy Secretary, Planning Services, as delegate of the Secretary, have determined the application under clause 25(4)(a) of the Seniors Housing SEPP by issuing a site compatibility certificate subject to satisfaction of certain requirements specified in the certificate (clause 25(7)). I have enclosed the site compatibility certificate.

The certificate has been issued following careful consideration of Council's comments regarding the bulk and scale of the proposal. It is considered that these issues can be further addressed through a future development application. The development application submitted by the proponent must be consistent with or smaller than the concept described in the certificate and cannot be for a larger-scale scheme under clause 24(a)(i).

If you have any questions in relation to this matter, please contact Mr James Shelton in the Department of Planning and Environment's Newcastle office on 4904 2700.

Yours sincerely

Marcus Ray
Deputy Secretary
Planning Services
