SEPP (HOUSING FOR SENIORS OR PEOPLE WITH A DISABILITY) 2004 DIRECTOR-GENERAL'S SITE COMPATIBILITY CERTIFICATE APPLICATION

Site	compatibility	application no.	
------	---------------	-----------------	--

#### LODGEMENT

#### Instructions to users

This application form is to be completed if you wish to apply to the Director-General of the Department of Planning for a site compatibility certificate under Chapter 3, Part 1A of State Environmental Planning Policy (Housing for Seniors or People with a Disability) 2004 (the SEPP).

A site compatibility certificate is required under section 50(2A) of the Environmental Planning and Assessment Regulation 2000 to accompany development applications for certain proposed developments under the SEPP. The types of development applications to which the Regulation applies are listed in clause 24 of the SEPP.

Before lodging this application, it is recommended that you consult with the Department of Planning concerning your development proposal, including whether a site compatibility certificate is required and what application fee will apply.

To ensure that your application is accepted, you must:

- complete all parts of this form, and
- submit all relevant information required by this form, and
- provide 3 copies of this form and attached documentation.
- provide form and documentation in electronic format (e.g. CD-ROM).

NB: The Department of Planning may request further information if your application is incomplete or inadequate.

All applications **must be lodged** with the Director-General, by courier or mail. Applications can be lodged with the relevant regional office of the NSW Department of Planning. Please refer to www.planning.nsw.gov.au for contact details.

### PART C - SITE COMPATIBILITY OF THE PROPOSED DEVELOPMENT

In this Part, please attach documentation to describe the development proposal, its context and strategic justification.

## C1 DEVELOPMENT PROPOSAL INFORMATION

#### 1. CONTEXT

- Location, zoning of the site and representation of surrounding uses
- Description of surrounding environment:
  - built form
  - potential land use conflicts
  - natural environment (including known significant environmental values and resources or hazards)
- Access to services and facilities and access (clause 26):
  - accessibility and interrelationships with the surrounding area—transport infrastructure and services, accessible pedestrian routes
  - location and description of available shops, banks and other retail and commercial services, community services and recreational facilities, medical facilities
- Open space and special use provisions (if relevant)
- Agricultural capability of the site and adjoining land if the proposal affects land not zoned primarily for urban purposes
- Type, values and significance of native vegetation on site, if land is not located in an urban LGA or urban zone listed under Schedule 1 of the Native Vegetation Act 2003. (nb: separate Guideline available for further information)

#### 2. PROPOSAL

- The proposal can be presented through photos, maps and written evidence
  - Description of the proposal including the type(s) of seniors housing proposed including numbers of beds/units, community facilities and any ancillary development
  - Site description—natural elements of the site (including known hazards and constraints)
  - Building envelope—footprint and height relative to adjoining development/uses and indicative layout of proposed uses in relation to adjoining development/uses
  - proposed extent of native vegetation clearing, if land is not located in an urban LGA or urban zone listed under Schedule 1 of the Native Vegetation Act 2003

#### 3. STRATEGIC JUSTIFICATION

- Brief description of the proposed development—10 pages limit
  - Relationship with regional and local strategies
  - Public interest reasons for applying for seniors housing in this locality
  - Adequacy of services and infrastructure to meet demand
- PRE-LODGEMENT CONSULTATION WITH THE CONSENT AUTHORITY (COUNCIL) AND INFRASTRUCTURE/SERVICE PROVIDERS
  - Attach evidence of pre-lodgement consultation
    - Evidence of consultation
    - Description of and response to issues raised in consultation

Note: Pre-lodgement discussion with the council and with agencies such as the Roads and Traffic Authority, Rural Fire Service and providers of infrastructure and services such as health, community, transport, electricity, water, and sewerage infrastructure and services, will assist in preparation and assessment of your application.
