Dear Mr Winters

I acknowledge receipt of correspondence from your solicitors Mills Oakley dated 3 June 2019 regarding an appeal of the Land and Environment Court's decision regarding DA/668/2018 and request for the Department to progress assessment of the pending site compatibility certificate (SCC) application for 3 Quarry Road and 4 Vineys Road, Dural.

I note an amended concept plan and development application package was submitted to the Land and Environment Court on 4 March 2019. The updated plans reflect a seniors living development concept that has changed significantly from the development concept submitted to the Department as part of the SCC application on 21 June 2018.

As discussed at our meeting on 13 June 2019, it would be appreciated if consideration could be given to amending the SCC application to reflect the development concept considered by the Court.

If you have any more questions, please contact myself or Ms Angela Hynes, Senior Planning Officer on 9860 1558 or at angela.hynes@planning.nsw.gov.au.

Yours sincerely

14/6/2019
