SEPP (HOUSING FOR SENIORS OR PEOPLE WITH A DISABILITY) 2004 SITE COMPATIBILITY CERTIFICATE APPLICATION

Date received: ____/____/____

Site compatibility application no. _____

LODGEMENT

Instructions to users

A site compatibility certificate is required under clause 50(2A) of the *Environmental Planning and Assessment Regulation 2000* to accompany development applications for certain proposed developments under the SEPP. The types of development applications to which the Regulation applies are listed in clause 24 of the SEPP.

Please note, amendments to the SEPP in October 2018 require you to submit a cumulative impact study if your proposed development is located within a 1km radius of 2 or more other parcels of land which have either a current site compatibility certificate or a site compatibility certificate application that has been made but not yet determined.

In addition, the amendments made in October 2018 also affect the way the SEPP applies to a site that includes land over which a previous site compatibility certificate has been issued (see clause 25(5)(c) and 25(5A)). As a result, you will now be required to include details of all previous site compatibility certificates that were issued over any portion of the land to which this application relates.

Before lodging this application, it is recommended that you contact the relevant regional office of the Department of Planning and Environment concerning your development proposal to arrange a pre-lodgement meeting.

To ensure that your application is accepted, you must:

- complete **all** parts of this form, **and**
- submit **all** relevant information required by this form, **and**
- provide a **copy** of this form and attached documentation in **hard copy**,
- provide form and documentation in **electronic format** (e.g. Memory stick).
- **provide** a cumulative impact study, if required.
- **provide** copies of any previously issued site compatibility certificates for the land, or any part of the land, to which the application relates.

- NB: The Department of Planning and Environment may request further information if your application is incomplete or inadequate.

All applications **must be lodged** with the Department, by courier or mail. Applications can be lodged with the relevant regional office of the NSW Department of Planning and Environment. Please refer to www.planning.nsw.gov.au for contact details.
