12. GST

12.1 Interpretation

In this clause 12:

- (a) except where the context suggests otherwise, terms used in this clause 12 have the meanings given to those terms by the GST Act (as amended from time to time);
- (b) any part of a supply that is treated as a separate supply for GST purposes (including attributing GST payable to tax periods) will be treated as a separate supply for the purposes of this clause 12; and
- (c) a reference to something done (including a supply made) by a party includes a reference to something done by any entity through which that party acts.

12.2 Intention of the parties

Without limiting the operation of this clause 12, the parties intend that:

- (a) Divisions 81 and 82 of the GST Act apply to the supplies made under and in respect of this Planning Agreement;
- (b) no tax invoices will be exchanged between the parties; and
- (c) no additional amounts will be payable on account of GST.

12.3 Reimbursement

Any payment or reimbursement required to be made under this Planning Agreement that is calculated by reference to a cost, expense, or other amount paid or incurred will be limited to the total cost, expense or amount less the amount of any input tax credit to which any entity is entitled for the acquisition to which the cost, expense or amount relates.

12.4 Consideration GST exclusive

Unless otherwise expressly stated, all prices or other sums payable or consideration to be provided under this Planning Agreement are exclusive of GST. Any consideration that is specified to be inclusive of GST must not be taken into account in calculating the GST payable in relation to a supply for the purposes of this clause 12.

12.5 Additional amount of GST payable

Subject to clause 12.7, if GST becomes payable on any supply made by a party ("**Supplier**") under or in connection with this Planning Agreement:

- (a) any party ("**Recipient**") that is required to provide consideration to the Supplier for that supply must pay an additional amount to the Supplier equal to the amount of GST payable on that supply ("**GST Amount**"), and:
 - (i) where that GST Amount is payable by the Planning Minister or the Environment Minister, the GST Amount will be limited to the amount of the input tax credit (if any) to which the Planning Minister or the Environment Minister (or the representative member of any GST group of which the Planning Minister or the Environment Minister, in any capacity, is a member) is entitled in relation to the Planning Minister's or Environment Minister's acquisition of that supply and is payable within 5 Business Days after the Minister, in any capacity, is a member) has received the benefit of that input tax credit; and
 - (ii) in any other case, the GST Amount is payable at the same time as any other consideration is to be first provided for that supply; and
- (b) the Supplier must provide a tax invoice to the Recipient for that supply, no later than the time at which the GST Amount for that supply is to be paid in accordance with clause 12.5(a).

12.6 Variation

- (a) If the GST Amount properly payable in relation to a supply (as determined in accordance with clause 12.5 and clause 12.7), varies from the additional amount paid by the Recipient under clause 12.5, then the Supplier will provide a corresponding refund or credit to, or will be entitled to receive the amount of that variation from, the Recipient. Any payment, credit or refund under this clause 12.6(a) is deemed to be a payment, credit or refund of the GST Amount payable under clause 12.5.
- (b) The Supplier must issue an adjustment note to the Recipient in respect of any adjustment event occurring in relation to a supply made under or in connection with this Planning Agreement as soon as reasonably practicable after the Supplier becomes aware of the adjustment event.

12.7 Exchange of non-monetary consideration

- (a) To the extent that the consideration provided for the Supplier's taxable supply to which clause 12.5 applies is a taxable supply made by the Recipient (the "**Recipient Supply**"), the GST Amount that would otherwise be payable by the Recipient to the Supplier in accordance with clause 12.5 shall:
 - (i) if the Supplier is the Planning Minister or the Environment Minister, be reduced by the amount of the input tax credit (if any) to which the

Planning Minister or the Environment Minister (or the representative member of any GST group of which the Planning Minister or the Environment Minister, in any capacity, is a member) is entitled in relation to the Planning Minister's or the Environment Minister's acquisition of the Recipient Supply; and

- (ii) in any other case, be reduced by the amount of GST payable by the Recipient on the Recipient Supply.
- (b) The Recipient must issue to the Supplier an invoice for any Recipient Supply on or before the time at which the Recipient must pay the GST Amount in accordance with clause 12.5 (or the time at which such GST Amount would have been payable in accordance with clause 12.5 but for the operation of clause 12.7(a)).

This clause will not merge on completion or termination of the Planning Agreement.

13. Overdue payments

- (a) The Landowner agrees to pay ("**the payer**") interest to the Planning Minister ("**the payee**") on any amount payable by it under this Planning Agreement from when it becomes due for payment, during the period that it remains unpaid, on demand or at times determined by the payee, calculated on daily balances. The rate to be applied to each daily balance is the rate 1% per annum above the Bank Bill Rate.
- (b) Interest which is not paid when due for payment may be capitalised by the payee at intervals which the payee determines from time to time, or, if no determination is made, then on the first day of each month. Interest is payable on capitalised interest at the rate and in the manner referred to in this clause 13.
- (c) The payer's obligation to pay the outstanding amount on the date it becomes due for payment is not affected by any other provision of this Planning Agreement.
- (d) If a liability under this Planning Agreement becomes merged in a judgment or order, then the payer agrees to pay interest to the payee on the amount of that liability as an independent obligation. This interest accrues from the date the liability becomes due for payment both before and after the judgment or order until it is paid, at a rate that is the higher of the rate payable under the judgment or order and the rate referred to in this clause 13.

14. Release and indemnity

- (a) The Landowner agrees that the obligation to provide the Development Contributions is at the risk of the Landowner. The Landowner releases the Planning Minister and the Environment Minister from any Claim, liability or loss arising from, and Costs incurred in connection with, the Landowner's obligation to provide the Development Contributions.
