- (b) the timetable for all steps in those procedures; or
- (c) the selection and compensation of the independent person required for such technique,

the parties must mediate the dispute in accordance with the Mediation Rules of the Law Society of NSW. The parties must request the president of the Law Society of NSW or the president's nominee to select the mediator and determine the mediator's remuneration.

Words used in this clause that are defined in the GST Legislation have the meaning given in that legislation.

8.2 Intention of the parties

Without limiting any other provision of this **clause 8**, the parties intend that:

- (a) Divisions 81 and 82 of the GST Legislation apply to the supplies made under and in respect of this Deed; and
- (b) no additional amounts will be payable on account of GST and no tax invoices will be exchanged between the parties.

8.3 Reimbursement

Any payment or reimbursement required to be made under this Deed that is calculated by reference to a cost, expense, or other amount paid or incurred will be limited to the total cost, expense or amount less the amount of any input tax credit to which any entity is entitled for the acquisition to which the cost, expense or amount relates.

8.4 Consideration GST exclusive

Unless otherwise expressly stated, all prices or other sums payable or consideration to be provided under this Deed are GST Exclusive. Any consideration that is specified to be inclusive of GST must not be taken into account in calculating the GST payable in relation to a supply for the purposes of this **clause 8**.

8.5 Additional Amounts for GST

Subject to **clause 8.7**, if GST becomes payable on any supply made by a party (**Supplier**) under or in connection with this Deed:

- (a) any party ("**Recipient**") that is required to provide consideration to the Supplier for that supply must pay an additional amount to the Supplier equal to the amount of the GST payable on that supply ("**GST Amount**"), and:
 - (i) where that GST Amount is payable by the Minister, the GST Amount will be limited to the amount of the input tax credit (if any) to which the Minister (or the representative member of any GST group of which the Minister, in any capacity, is a member) is entitled in relation to the Minister's acquisition of that supply and is payable within 5 Business Days after the Minister (or the representative member of any GST group of which the Minister, in any capacity, is a member) has received the benefit of that input tax credit; and
 - (ii) in any other case, the GST Amount is payable at the same time as any other consideration is to be first provided for that supply; and
- (b) the Supplier must provide a tax invoice to the Recipient for that supply, no later than the time at which the GST Amount for that supply is to be paid in accordance with **clause 8.5(a)**.

8.6 Variation

- (a) If the GST Amount properly payable in relation to a supply (as determined in accordance with **clauses 8.5 and 8.7**), varies from the additional amount paid by the Recipient under **clause 8.5**, then the Supplier will provide a corresponding refund or credit to, or will be entitled to receive the amount of

that variation from, the Recipient. Any payment, credit or refund under this **clause 8.6(a)** is deemed to be a payment, credit or refund of the GST Amount payable under **clause 8.5**.

- (b) The Supplier must issue an adjustment note to the Recipient in respect of any adjustment event occurring in relation to a supply made under or in connection with this Deed as soon as reasonably practicable after the Supplier becomes aware of the adjustment event.

8.7 Non monetary consideration

- (a) To the extent that the consideration provided for the Supplier's taxable supply to which **clause 8.5** applies is a taxable supply made by the Recipient (the **Recipient Supply**), the GST Amount that would otherwise be payable by the Recipient to the Supplier in accordance with **clause 8.5** shall be reduced by the amount of GST payable by the Recipient on the Recipient Supply.
- (b) The Recipient must issue to the Supplier an invoice for any Recipient Supply on or before the time at which the Recipient must pay the GST Amount in accordance with **clause 8.5** (or the time at which such GST Amount would have been payable in accordance with **clause 8.5** but for the operation of **clause 8.7(a)**).

8.8 No merger

This clause will not merge on completion or termination of this Deed.

- (ii) to any other person, with the prior consent of the Minister, which must not be unreasonably withheld if he is reasonably satisfied that the assignee has sufficient assets, resources and expertise to perform all of the Developer's obligations under this Deed,

and, in either case prior to any such assignment:

- (iii) the Developer delivers to the Minister a deed signed by the assignee which contains provisions under which the assignee agrees to comply with all of the obligations of the Developer under this Deed as if it were joined as a party to this Deed in the place of the Developer (as the case may be) (including obligations which arose before the assignment);

A right created by this Deed cannot be waived except in writing signed by the party entitled to that right. 12.4 Further assurances

Each party must promptly execute all documents and do every thing necessary or desirable to give full effect to the arrangements contained in this Deed.

12.5 Time for doing acts

- (a) If:

12.7 Severance

If any clause or part of any clause is in any way unenforceable, invalid or illegal, it is to be read down so as to be enforceable, valid and legal. If this is not possible, the clause (or where possible, the offending part) is to be severed from this Deed without affecting the enforceability, validity or legality of the remaining clauses (or parts of those clauses) which will continue in full force and effect.

12.8 Preservation of existing rights

The expiration or termination of this Deed does not affect any right that has accrued to a party before the expiration or termination date.

12.9 No merger

Any right or obligation of any party that is expressed to operate or have effect on or after the completion, expiration or termination of this Deed for any reason, will not merge on the occurrence of that event but will remain in full force and effect.

12.10 Counterparts

This Deed may be executed in any number of counterparts. All counterparts taken together constitute one instrument.

12.11 Relationship of parties

Unless otherwise stated:

- (a) nothing in this Deed creates a joint venture, partnership, or the relationship of principal and agent, or employee and employer between the parties; and
- (b) no party has the authority to bind any other party by any representation, declaration or admission, or to make any contract or commitment on behalf of any other party or to pledge any other party's credit.

12.12 Good faith

For each instalment of the Transport Contribution for each Dwelling, payment must be made before the issue of a Subdivision Certificate in respect of that part of the Land comprised in a Plan of Subdivision the subject of that Subdivision Certificate on which that Dwelling is proposed to be constructed (the number of such Dwellings as determined by the Director General (acting reasonably having regard to information provided by the Developer)).

may require that payment to be made at such time as is nominated in writing by the Director-General, being no less than 20 Business Days after the date of a written notice to the Developer requiring that payment.		

The Minister acknowledges that any determination by the Director General in relation to the number of Dwellings proposed to be constructed as contemplated by the table in this paragraph 1 of **Schedule 4** is made solely for the purposes of determining the amount of the Transport Contributions payable by the Developer pursuant to this Planning Agreement, and not for any other purpose and without limitation, the amount paid in respect of Transport Contributions in respect of any part of the Land does not limit any application the Developer might subsequently make for a modification of any Planning Consent in relation to that part of the Land.

2 Delivery of Contribution Land

- (a) Prior to the relevant Structure Planning Milestone for the relevant School Site, the Developer must propose in writing to the Director General the proposed location and configuration of the relevant School Site. The Director General must determine the actual location and configuration of the relevant School Site having regard to:
 - (i) the impositions and requirements of the Development applying at the time;
 - (ii) the Concept Plan Application (as varied by the Concept Plan Approval) and the DET Guidelines applying at the time; and
 - (iii) the detail and reasoning incorporated in the Developer's proposal referred to in this paragraph (a).
- (b) In determining the actual location and configuration of the relevant School Site, the Director General must (unless the parties otherwise agree) nominate that part of the Land referred to in the Concept Plan Application (as varied by the Concept Plan Approval) as the relevant School Sites allowing for minor variations.
- (c) The first School Site that is to be dedicated to the Minister (or, if the Minister directs in writing, to the Minister for Education and Training) under this Deed is to be valued in accordance with the land valuation process in paragraph 3 of this **Schedule 4**.

- (d) The parties agree to use reasonable endeavours to undertake the steps referred to in paragraphs (a) to (c) by the relevant Structure Planning Milestone so that paragraph (e) is able to be complied with by the relevant Education Milestone.
- (e) As soon as possible after:
 - (i) agreement by the Developer and the Minister in relation to the location and configuration of the relevant School Site; and
 - (ii) in respect of the first School Site to be dedicated, the later of the date that paragraph (a) occurs and the date of determination of the market value of the relevant School Site under paragraph 3 of this **Schedule 4**,

the Developer must (at its cost and at no cost to the Minister) prepare and procure registration of a Subdivision Plan to create a separate lot or lots for the relevant School Site and must deliver to the Minister:

- (iii) a form of Transfer in respect of the land comprising the relevant School Site in favour of the Minister (or, if the Minister directs in writing, in favour of the Minister for Education and Training) and specifying a consideration of \$1, executed by the relevant Owner and in registrable form except for acceptance by the transferee and marking by the Office of State Revenue; and
 - (iv) the certificate or certificates of title for the relevant School Site,
- and must take any other necessary action (other than paying stamp duty and effecting registration of the transfer) to give effect to the transfer of the relevant School Site to the transferee free of all encumbrances and affectations (including, any charge or liability for rates, taxes and charges) except those reservations, easements and other affectations (but not including any mortgage or charge) as registered as at the date of this Deed or easements or covenants which have been agreed by the Minister or the Minister for Education and Training. The Minister agrees to use reasonable endeavours to procure that the Minister for Education and Training acts reasonably in relation to requests concerning the creation of such reservations, easements or other affectations.
- (f) The parties acknowledge and agree that the Developer is only required to service the School Sites to be dedicated (or compulsory acquired) for use as a school.

3 Land valuation process

- (a) This land valuation process applies to the first School Site referred to in paragraph 2(c) of this **Schedule 4**.

- (b) The Developer will be entitled to offset the amount referred to in paragraph 4 of this **Schedule 4** against its obligation to pay part of the Transport Contribution (up to the Offset Amount).
- (c) As soon as possible after the determination by the Director General in relation to the location and configuration of the first School Site to be dedicated, the Minister and the Developer must each appoint a valuer (and in respect of the valuer appointed by the Minister, the Developer agrees to pay upon demand the Minister's reasonable costs associated with such appointed valuer up to a maximum amount of \$10,000) who:
 - (i) is a registered valuer under the *Valuers Act* 2003 (NSW) and is not restricted under that Act from valuing the subject property;
 - (ii) is both an Associate (or a Fellow) Member and a Certified Practising Valuer of the Australian Property Institute (Inc) NSW Division;
 - (iii) is then practising as a valuer;
 - (iv) is independent and not related to any other party relevant to the relevant Education Contribution;
 - (v) has at least 5 years experience in residential development valuations; and
 - (vi) who has a practical understanding of the development and planning process to prepare a valuation for the relevant land,
 (the **Valuer**).
- (d) Each Valuer must prepare a valuation in accordance with this **paragraph 3**.
- (e) Any valuation provided by a Valuer must comply with the following:
 - (i) The valuation report prepared by the Valuer must confirm that the Valuer satisfies each of the requirements set out in **paragraph (c)** above.
 - (ii) The Valuer is required to determine the market value (per hectare) of the subject land as a freehold lot with vacant possession as at the date of inspection.
 - (iii) The Valuer must, in determining the market value of the subject land in accordance with **paragraph (e)(ii)** above, assume that the subject land:
 - (A) is free of all encumbrances;
 - (B) is or can be fully serviced to its boundary;

- (C) is an individual lot suitable in size, but no larger than the size necessary, for the permissible uses as contemplated under the SEPP Amendment and Concept Plan Approval applying to the subject land;
 - (D) has appropriate public road frontage and access; and
 - (E) is capable of being developed for its intended use as contemplated under the SEPP Amendment and Concept Plan Approval applying to the subject land without reliance upon the implementation of any additional public infrastructure external to the site.
- (iv) The Valuer must, in determining the market value of the subject land, comply with the applicable Practice Standards and Guidance Notes for such valuations as published from time to time by the Australian Property Institute (NSW Division), except where such standards and guidelines conflict with this **paragraph 3**, in which case this **paragraph 3** prevails.
 - (v) The market value of the subject land must have regard to the highest and best use of the site consistent with its permissible use as contemplated by the SEPP Amendment and Concept Plan Approval applying to the subject land.
 - (vi) The Valuer must provide a comprehensive valuation report which shall include the following matters:
 - (A) confirmation of instructions;
 - (B) identification of the subject land being valued;
 - (C) date of inspection and valuation;
 - (D) registered proprietor;
 - (E) legal description of the subject land including the certificate of title folio identifier and reference to any easements, rights of way, covenants, caveats and/or other encumbrances on title, and comment on the effect, if any, of such encumbrances;
 - (F) services and amenities;
 - (G) site identification;
 - (H) location description, including any external factors that influence the desirability of the subject land, either positively or negatively for the permitted use;

- (I) zoning and town planning considerations;
 - (J) a detailed explanation of the valuation methodologies adopted including all calculations and workings;
 - (K) details of relevant comparable sales and rental evidence appropriately analysed to support the valuation and the relativity of comparable sales must be fully explained;
 - (L) the valuation amount; and
 - (M) the statements required in **paragraphs (e)(ii) and (iii)** above.
- (f) In the event that no less than two of the comparable sales analysed cannot reasonably be considered as being directly comparable (in terms of, but not restricted to, date of sale, size, development capability, zoning and physical and ecological constraints etc) then each Valuer must undertake a feasibility or residual land value approach to the valuation.
- (g) In the event that the valuations vary by less than 10%, the average of the valuation amounts shall be adopted as the value for the subject land.
- (h) In the event that the valuations vary by more than 10%, then the Valuers shall meet to compare the valuations and attempt to find common ground (whether this be mutual agreement on value or, at the very least, agreement as to certain valuation drivers, methodologies or inputs). Following this meeting, the Valuers shall review their valuations. If the valuations continue to vary by more than 10%, the valuation to apply to the subject land will be determined by a further Valuer appointed by the Australian Property Institute (NSW Division) acting as an expert and not as an arbitrator, in compliance with **paragraph (e)** and whose decision is final and binding, in the absence of manifest error. The Developer and the Minister must pay the costs associated with any valuer appointed for this purpose in equal proportions.

4 **Offset for Transport Contribution**

- (a) The Developer is entitled to offset the value (as determined by this paragraph 4 of this **Schedule 4**) of 3.31 hectares of the Contribution Land dedicated to the Minister (or, if the Minister directs in writing, to the Minister for Education and Training) in accordance with this Deed (**Offset Amount**) against its obligation to pay part of the Transport Contribution (up to the Offset Amount). The Offset Amount to be offset is determined as follows:

$$\text{Offset Amount} = \text{MV} \times 3.31$$

Where:

MV is the market valuation per hectare of the first School Site (as determined in accordance with paragraph 3 of **Schedule 4**)

For the avoidance of doubt, the offset arrangement that the Developer is entitled to as contemplated by this paragraph 4(a) of **Schedule 4** applies regardless of whether the first School Site to be dedicated is more or less than 3.31 hectares.

- (b) The Offset Amount is to be applied towards the Developer's obligation to pay the Transport Contribution (or any part of it) next payable after the dedication of the first School Site.
- (c) Prior to application of any part of the Offset Amount (as contemplated by paragraph 4(b) of this **Schedule 4**) (**Partial Offset Amount**), that Partial Offset Amount must be increased to reflect any increase in the CPI since the date of this Deed with the relevant amount being calculated in accordance with the following formula:

$$A = B \times \frac{C}{D}$$

Where:

A is the Partial Offset Amount after the relevant indexation adjustment;

B is the amount of the Partial Offset Amount prior to any indexation adjustment;

C is the CPI most recently published before the application of that Partial Offset Amount pursuant to paragraph 4(b) of **Schedule 4**; and

D is the CPI most recently published before the date of this Deed.

5 **Indexation of Transport Contributions**

The amount specified as the Transport Contribution in the table in paragraph 1 of this **Schedule 4** must be increased to reflect any increase in the CPI since the date of this Deed with the relevant amount being calculated in accordance with the following formula:

$$A = B \times \frac{C}{D}$$

Where:

A is the indexed amount at the relevant date for payment of the relevant Transport Contribution;

B is the amount of the Transport Contribution referred to in column 1 of the table in paragraph 1 of this **Schedule 4**;

C is the CPI most recently published before the relevant date for payment of the relevant Transport Contribution; and

D is the CPI most recently published before the date of this Deed.

6 **Works-in-kind Option**

- (a) At any time prior to the date on which any Transport Contribution is required to be paid by the Developer to the Minister in accordance with paragraph 1 of this **Schedule 4**, the Developer may in writing to the Minister, request the Minister's approval to enter into an agreement with the RTA, to undertake works in kind. Any such agreement with the RTA may, with the RTA's agreement, be in the form of a Works Agreement.
- (b) Prior to the Developer entering into any Works Agreement contemplated by paragraph 6(a) of this **Schedule 4**, the Developer and the Minister will meet and agree in good faith the amount that the Developer is entitled to offset (having regard to the value of the works the subject of that agreement) against its obligation to pay part of the Transport Contribution and the parties will enter into such documentation as is necessary to give effect to that agreement.

7 **Compulsory Acquisition**

- (a) This paragraph 7 of **Schedule 4** only applies to the extent that the Developer either becomes the registered proprietor of any School Site or otherwise has contractual rights with the registered proprietor of any School Site which are consistent with this paragraph 7 of **Schedule 4** (**Applicable School Site**).
- (b) If the Developer does not transfer an Applicable School Site as required by this Planning Agreement, the Developer agrees to the Minister compulsorily acquiring that Applicable School Site in accordance with the *Land Acquisition (Just Terms Compensation) Act 1991* (NSW), for the amount of \$1.00.
- (c) The Developer and the Minister agree that:
 - (i) this paragraph 7 of **Schedule 4** is an agreement between the Minister and the Developer for the purposes of section 30 of the *Land Acquisition (Just Terms Compensation) Act 1991* (NSW); and
 - (ii) in this paragraph 7 of **Schedule 4** the Minister and the Developer have agreed on all relevant matters concerning the compulsory acquisition and the compensation to be paid for the acquisition.
- (d) Except as otherwise agreed between the Developer and the Minister, the Developer must ensure that the relevant Applicable School Site is free of all

encumbrances and affectations (including, any charge or liability for rates, taxes and charges) except those reservations, easements and other affectations (but not including any mortgage or charge) as registered as at the date of this Deed or easements or covenants which have been agreed by the Minister or the Minister for Education and Training, on both the date that the Developer is liable to procure the transfer the relevant Applicable School Site to the Minister in accordance with paragraph 7 of this **Schedule 4** and the date on which the Minister compulsorily acquires the relevant Applicable School Site in accordance with the *Land Acquisition (Just Terms Compensation) Act 1991* (NSW).

SCHEDULE 5

Bank Guarantee - Transport Contributions (clause 6.1)

1 Bank Guarantee Required

The Developer has agreed to provide security to the Minister in the form of a Bank Guarantee for the face value of \$400,000 to secure the Developer's obligations to pay the Transport Contributions to the Minister in accordance with this Deed and the terms and conditions of this **Schedule** and **Schedule 8** apply in relation to those security arrangements. Such Bank Guarantee is to be provided by the Developer to the Minister prior to the issue of any Planning Consent for any part of the Development by the relevant Consent Authority (other than a Concept Plan Approval).

2 Claims under Bank Guarantee

The Developer agrees that the Minister may make claims under a Bank Guarantee provided by it on the following basis:

- (a) the Minister may call upon the Bank Guarantee (in full or in part) in the event that the Developer breaches its obligations to make the Transport Contributions and retain and use such monies in his reasonable discretion to compensate the Minister for the Developer's breach of those obligations; and
- (b) the Minister agrees not to make any claim under a Bank Guarantee without providing at least 10 Business Days' prior written notice to the Developer of his intention to do so.

3 Release of Bank Guarantee

If the Developer has satisfied all of its obligations to make all of the Transport Contributions under this Deed which were secured by the Bank Guarantee, and:

- (a) the whole of the monies secured by the Bank Guarantee have not been expended and the monies accounted for in accordance with paragraph 2(a) of this Schedule; and
- (b) the Minister is satisfied, acting reasonably, that there are no actual or contingent liabilities arising as a result of the payment of the Transport Contributions,

then the Minister will promptly return the Bank Guarantee (less any reasonable costs, charges, duties and taxes payable), or the remainder of the monies secured by the Bank Guarantee (as the case may be), to the Developer.

SCHEDULE 6

Bank Guarantee or payment of cash - Development Contributions (clause 6.1)

1 Bank Guarantee or payment of cash

If prior to determination by the Consent Authority of Planning Consent for development of any part of the Registration Land, this Planning Agreement has not been registered on title to any part of that land (**Unregistered Land**), then prior to any such determination by the relevant Consent Authority, the Developer must either:

- (a) procure registration of this Planning Agreement on that Unregistered Land in accordance with **clause 5.2**;
- (b) provide security to the Minister in the form of a Bank Guarantee for the face value equivalent to the Proposed Transport Contribution Amount relevant to that Unregistered Land to secure the Developer's obligations to pay the Transport Contributions in relation to those Proposed Dwellings on that Unregistered Land; or
- (c) pay to the Minister an amount equivalent to the Proposed Transport Contribution Amount in respect of that Unregistered Land as security for the Developer's obligation to pay the Transport Contribution in respect of those Proposed Dwellings (**Cash Bond**),

and the terms and conditions of this **Schedule** and **Schedule 8** apply in relation to those arrangements.

2 Claims under Bank Guarantee

The Developer agrees that the Minister may make claims under any Bank Guarantee provided by it in accordance with the terms and conditions of this **Schedule 6** on the following basis:

- (a) the Minister may call upon the Bank Guarantee (in full or in part) in the event that the Developer breaches its obligations to make the Transport Contributions in respect of any Dwelling proposed to be constructed on the relevant Unregistered Land for which the Bank Guarantee had been provided as security and retain and use such monies in his reasonable discretion to compensate the Minister for the Developer's breach of those obligations; and
- (b) the Minister agrees not to make any claim under a Bank Guarantee without providing at least 10 Business Days' prior written notice to the Developer of his intention to do so.

3 **Release of Bank Guarantee**

If the Developer has satisfied all of its obligations to make all of the Transport Contributions in respect of Dwellings proposed to be constructed on the Unregistered Land for which the Bank Guarantee or Cash Bond had been provided as security or the Developer procures registration of this Planning Agreement on the relevant Unregistered Land in accordance with **clause 5.2**, and:

- (a) the whole of the monies secured by the Bank Guarantee or Cash Bond have not been expended and the monies accounted for in accordance with paragraph 2(a) of this **Schedule**; and
- (b) the Minister is satisfied, acting reasonably, that there are no actual or contingent liabilities arising as a result of the payment of the relevant Transport Contributions,

then the Minister will promptly return the Bank Guarantee or Cash Bond (less any reasonable costs, charges, duties and taxes payable), or the remainder of the monies secured by the Bank Guarantee or Cash Bond (as the case may be), to the Developer.

SCHEDULE 7

DET Guidelines

Requirements for New School Sites

Requirements for new school sites as determined by the New South Wales Department of Education and Training are outlined below. These are only broad guidelines which may vary slightly with individual new developments.

1 School Provision Thresholds - One primary school site per 2000-2500 new homes and one high school site per 6000-7500 new homes

Consideration must be made with respect to:

- (a) possible diversion of some students in new areas to existing schools;
- (b) impact of existing or proposed non-government schools;
- (c) the type and speed of residential development;
- (d) the possible need for additional sites in large developments to cater for temporary enrolment peaks; and
- (e) the nature of the population.

2 General Site Location Principles

- (a) Primary school local catchment area should remain flexible over time.
- (b) The school should be located on a distributor or collector road (to alleviate noise and traffic problems).
- (c) As far as possible, a primary school should be within 1.6kms road distance of the bulk of its likely drawing area to minimise the demand for bus transport.
- (d) It is an advantage to locate a school adjacent to a community playing field.
- (e) Encourage opportunities for joint use of land, eg. for child care and open space.
- (f) High schools should be located away from commercial centres, especially where liquor outlets may be located.

3 **Specific Site Selection**

In general the following attributes are desired:

- (a) Primary school sites should be around 3 hectares in size, while 6.0 hectares is desirable for a high school.
- (b) Slope not greater than 1 in 10.
- (c) Site above the 1 in 100 year flood level and well drained.
- (d) Shape of the site should be substantially regular.
- (e) Site should be fully serviced with respect to water, sewer, power, telephone, kerb and gutter, footpath and sealed road.
- (f) Site should be free of possible restrictions to development, such as service and access easements (especially high tension electricity, mobile phone towers and drainage) through the site; free from environmental restraints and contamination.

SCHEDULE 8

Bank Guarantees and Cash Bonds - General Requirements

1 Expiry of Bank Guarantees

- (g) If any Bank Guarantee provided by the Developer in accordance with this Deed is expressed as expiring on a certain date, the Developer must provide the Minister with a replacement Bank Guarantee 20 Business Days prior to the expiry of any Bank Guarantee subject to paragraph 2 of this **Schedule 8**.
- (h) The provision of the Bank Guarantee does not:
 - (i) relieve the Developer from any of its obligations under any other provision of this Deed; or
 - (ii) limit the right of the Minister to recover from the Developer in full all money payable to the Minister under this Deed, including without limitation, interest on any such amounts or damages or other losses incurred by the Minister.

2 Failure to replace expired Bank Guarantee

If the Developer fails to provide the Minister with a replacement Bank Guarantee in accordance with paragraph 1 of this **Schedule 8**, the Minister may call on the full amount of such Bank Guarantee after giving 10 Business Days prior written notice to the Developer.

3 Cash deposit

- (a) If the Minister makes demand under any Bank Guarantee pursuant to paragraph 2 of this **Schedule 8** or, if the Minister receives a Cash Bond from the Developer pursuant to paragraph 1(c) of **Schedule 6**, the Minister must hold the full amount so paid to the Minister as a cash deposit (**Cash Deposit**) in a separate account opened with any body corporate that is an ADI (authorised deposit-taking institution) for the purposes of the Banking Act, 1959 in the name of the Minister and with beneficial ownership vesting at all times in the Minister (**Cash Deposit Account**). The Cash Deposit will operate to secure the same obligations under this Deed that the relevant Bank Guarantee or Cash Bond secured.
- (b) As beneficial owner of the Cash Deposit, the Minister may, at any time and without notice to the Developer, withdraw money (including accrued interest) from the Cash Deposit Account and retain that money absolutely to satisfy or reimburse the Minister for any liability, loss, cost, charge or

expense incurred by the Minister because of failure by the Developer to comply with those of the Developer's obligations under this Deed that the relevant Bank Guarantee or Cash Bond secured.

- (c) All costs, charges, duties and taxes payable in connection with the Cash Deposit Account or interest accruing on moneys credited to the Cash Deposit Account may be satisfied by the Minister withdrawing money from the Cash Deposit Account and applying the money for that purpose.
- (d) If no moneys are, or may become, payable to the Minister under this Deed in connection with the obligations under this Deed secured by the relevant Bank Guarantee or Cash Bond and the Developer has satisfied all of its obligations under this Deed which were secured by the relevant Bank Guarantee or Cash Bond, the Minister must promptly pay the balance of the Cash Deposit Account, less all costs, charges, duties and taxes payable in connection with such payment, to the Developer.
- (e) For the avoidance of doubt, the Developer has no right to require the Minister to release the Cash Deposit until the Minister is reasonably satisfied that no moneys are, or may become, payable to the Minister under this Deed in relation to obligations secured by the relevant Bank Guarantee or Cash Bond.

4 **Release of Cash Deposit**

The Minister must promptly release the Cash Deposit to the Developer if the Developer provides the Minister with a replacement Bank Guarantee complying with the requirements of paragraph 1 of this **Schedule 8**.
