Owner is deemed to have granted, an equitable estate and interest in Part Lot 34 and Lot 241 (as the case may be) for the purposes of section 74F(1) of the *Real Property Act* 1900 (NSW) and consequently the Minister has a sufficient interest in Part Lot 34 and Lot 241 (as the case may be) in respect of which to lodge with the LPMA a caveat notifying that interest;

- (ii) it will not object to the Minister lodging a caveat in the relevant folio of the Register for each of Part Lot 34 and Lot 241 nor will it seek to remove any caveat lodged by the Minister provided the caveat does not prevent registration of any dealing or plan (including a Plan of Subdivision) other than a transfer; and
 - (iii) it will obtain the consent to the lodgement of the caveat of each person who has an estate or interest in each of Part Lot 34 and Lot 241 registered under the *Real Property Act* 1990 (NSW).
- (c) The Minister must, at the Land Owner's cost (with any such cost to be reimbursed to the Minister promptly on demand), register at the LPMA a withdrawal of caveat in respect of all the Land and the Conservation Offset Lands:
 - (i) within 5 Business Days after the Land Owner complies with clause 9.2(a) and the Minister must not lodge any other caveats on the titles to any of the Land and the Conservation Offset Lands, providing the withdrawal of the caveat will only apply in respect of such parts of the Land and the Conservation Offset Lands in respect of which registration of the Planning Agreement has been procured in accordance with clause 9.2(a), it being acknowledged by the Parties that registration of the Planning Agreement in respect of Part Lot 34 and Lot 241 may be delayed; and
 - (ii) if applicable, at the same time the transfer of the Conservation Offset Lands is registered at the LPMA.
- (d) Where the Land Owner has failed to obtain the consent of the Crown, as freehold owner of the Perpetual Leasehold Land, to the lodgement of the caveat in the relevant folios of the Register for that part of the Conservation Offset Lands comprising the Perpetual Lease Land and, as a result, the Minister has not been able to lodge a caveat in the relevant folio of the Register for the Perpetual Lease Land, the Parties agree that the Land Owner will not be in default of its obligation under clause 9.4(a) where:
 - (i) the Land Owner has used its best endeavours to obtain the consent of the Crown to the lodgement of the caveat in the relevant folios of the Register for the Perpetual Lease Land; and
 - (ii) the Crown has not given its consent to the lodgement of the caveat in the relevant folios of the Register for the Perpetual Lease Land.

9.5 Lot 5

- (a) Subject to clause 9.5(b), the parties acknowledge and agree that:
 - (i) the Land Owner will not be required to procure the registration of the Planning Agreement entered into pursuant to clause 2(b), under the *Real Property Act* 1900 (NSW) in the relevant folios of the register for that

part of the Conservation Offset Lands comprised in Lot 5 in accordance with section 93H of the Act; and

- (ii) the Minister will not lodge a caveat notifying its equitable estate and interest in Lot 5 with LPMA for the purposes of section 74F(1) of the *Real Property Act* 1900 (NSW).
- (b) Misthold must procure (at its cost and risk), by the date on which it is required to transfer the Conservation Offset Lands to the Minister pursuant to paragraph 2 of Schedule 4:
 - (i) the surrender of the unregistered lease to NSW Historic Sites and Railway Company Pty Limited, or otherwise provide evidence to the reasonable satisfaction of the Minister that the unregistered lease has expired, to the extent that lease affects Lot 5; and
 - (ii) the registration at LPMA of a withdrawal of the caveat lodged by NSW Historic Sites and Railway Company Pty Limited in respect of its equitable estate and interest in Lot 5.

9.6 Consent of Financier

The Land Owner represents and warrants to the Minister that it has obtained, and is in possession of a written consent from the Financier in which the Financier:

- (a) consents to:
 - (i) the Land Owner entering into and performing its obligations under this Planning Agreement;
 - (ii) the registration of the Planning Agreement in the relevant folio of the Register for the Land and the Conservation Offset Lands registered under the *Real Property Act* 1900 (NSW); and
 - (iii) the lodgement by the Minister of a caveat (in a form agreed by the Financier) notifying its interest in the Planning Agreement in the relevant folio of the Register for the Land and the Conservation Offset Lands registered under the *Real Property Act* 1900 (NSW); and
- (b) agrees:
 - (i) that it will only exercise its rights under any mortgage, charge, lien, pledge, trust, power or title retention or deposit arrangement in relation to the Land and the Conservation Offset Lands subject to the rights of the Minister and the Minister for the Environment under this Planning Agreement; and
 - (ii) promptly upon request, to lodge at the LPMA the relevant certificates of title to enable the registration of the Planning Agreement under the *Real Property Act* 1900 (NSW) in the relevant folios of the register for the Land and the Conservation Offset Lands.

10. Review or replacement of this Planning Agreement

The Parties agree that this Planning Agreement will be reviewed or modified in the circumstances, and in accordance with, the Review or Replacement Procedures.

11. Dispute resolution

The Parties agree that any disputes under or in relation to this Planning Agreement will be resolved in accordance with the Dispute Resolution Procedures.

12. GST

12.1 Interpretation

In this clause 12:

- (a) except where the context suggests otherwise, terms used in this clause 12 have the meanings given to those terms by the GST Act (as amended from time to time);
- (b) any part of a supply that is treated as a separate supply for GST purposes (including attributing GST payable to tax periods) will be treated as a separate supply for the purposes of this clause 12; and
- (c) a reference to something done (including a supply made) by a party includes a reference to something done by any entity through which that party acts. For the avoidance of any doubt, a supply or acquisition made by the Minister includes a supply or acquisition made by a government entity through which the Minister acts.

12.2 Reimbursement

Any payment or reimbursement required to be made under this Planning Agreement that is calculated by reference to a cost, expense, or other amount paid or incurred will be limited to the total cost, expense or amount less the amount of any input tax credit to which any entity (or to which the representative member for a GST group of which the entity is a member) is entitled for the acquisition to which the cost, expense or amount relates.

12.3 Consideration GST exclusive

Unless otherwise expressly stated, all prices or other sums payable or consideration to be provided under this Planning Agreement other than under this clause 12 are exclusive of GST. Any consideration that is specified to be inclusive of GST must not be taken into account in calculating the GST payable in relation to a supply for the purposes of this clause 12.

12.4 Additional amount of GST payable

Subject to clause 12.6, if GST becomes payable on any supply made by a party (**Supplier**) under or in connection with this Planning Agreement:

- (a) any party (**Recipient**) that is required to provide consideration to the Supplier for that supply must pay an additional amount to the Supplier equal to the amount of GST payable on that supply (**GST Amount**), and:
 - (i) where that GST Amount is payable by the Minister, the GST Amount will be limited to the amount of the input tax credit (if any) to which the Minister (or the representative member of any GST group of which the Minister, in any capacity, is a member) is entitled in relation to the Minister's acquisition of that supply and is payable within 5 Business Days after the Minister, in any capacity, has received the benefit of that input tax credit; and

- (ii) in any other case, the GST Amount is payable at the same time as any other consideration is to be first provided for that supply; and
- (b) the Supplier must provide a tax invoice to the Recipient for that supply, no later than the time at which the GST Amount for that supply is to be paid in accordance with clause 12.4(a).

12.5 Variation

- (a) If the GST Amount properly payable in relation to a supply (as determined in accordance with clause 12.4 and clause 12.6), varies from the additional amount paid by the Recipient under clause 12.4 (taking into account any previous adjustment under this clause), then the Supplier will provide a corresponding refund or credit to, or will be entitled to receive the amount of that variation from, the Recipient. Any payment, credit or refund under this clause 12.5(a) is deemed to be a payment, credit or refund of the GST Amount payable under clause 12.4.
- (b) The Supplier must issue an adjustment note to the Recipient in respect of any adjustment event occurring in relation to a supply made under or in connection with this Planning Agreement as soon as reasonably practicable after the Supplier becomes aware of the adjustment event.

12.6 Exchange of non-monetary consideration

- (a) To the extent that the consideration provided for the Supplier's taxable supply to which clause 12.4 applies is a taxable supply made by the Recipient (the **Recipient Supply**), the GST Amount that would be otherwise be payable by the Recipient to the Supplier in accordance with clause 12.4 shall:
 - (i) if the Supplier is the Minister, be reduced by the amount of the input tax credit (if any) to which the Minister (or the representative member of any GST group of which the Minister, in any capacity, is a member) is entitled in relation to the Minister's acquisition of the Recipient Supply; and
 - (ii) in any other case, be reduced by the amount of GST payable by the Recipient on the Recipient Supply.
- (b) The Recipient must issue to the Supplier an invoice for any Recipient Supply on or before the time at which the Recipient must pay the GST Amount in accordance with clause 12.4 (or the time at which such GST Amount would have been payable in accordance with clause 12.4 but for the operation of clause 12.6(a)).

12.7 Adjustments

The parties agree that any re-transfer of the Conservation Offset Lands under clause 13.2 and/or repayment of Contributions Amount made under clause 13.1(d)(i)B will give rise to an adjustment event for the purposes of Division 19 of the GST Act and the parties will deal with their respective GST obligations arising in respect of that adjustment event in accordance with the GST Act and clause 12.5 of this Planning Agreement.

12.8 No merger

This clause will not merge on completion or termination of the Planning Agreement.

13. Obligations under this Planning Agreement and Re-Transfer of the Conservation Offset Lands

13.1 Obligations under this Planning Agreement

- (a) Notwithstanding anything else in this Planning Agreement, and subject to clause 13.1(b), the Minister agrees that in the event that a Relevant Legal Challenge is commenced:
 - (i) the Land Owner's obligation under this Planning Agreement to pay the Contribution Amount to the Minister is suspended and neither the Minister nor the Minister for the Environment can require the Land Owner to pay the Contribution Amount pursuant to paragraph 1(a) of Schedule 4;
 - (ii) the Land Owner's obligation under this Planning Agreement to transfer or dedicate the Conservation Offset Lands is suspended and neither the Minister nor the Minister for the Environment can require the Land Owner to transfer or dedicate the Conservation Offset Lands pursuant to paragraph 2.3 of Schedule 4; and
 - (iii) the consent provided under this Planning Agreement by the Land Owner to the compulsory acquisition of the Conservation Offset Lands under paragraph 2.4 of Schedule 4 is withdrawn, is of no effect and the Minister cannot compulsorily acquire the Conservation Lands pursuant to paragraph 2.4 of Schedule 4.

For the avoidance of doubt, where the Land Owner has paid part of the Contribution Amount pursuant to paragraph 1(a) of Schedule 4 before the commencement of the Suspension Period, the Land Owner's obligation to pay the Contribution Amount will be suspended in respect of the Land Owner's obligation to pay that part of the Contribution Amount which has not been paid as at the commencement of the Suspension Period.

- (b) Clause 13.1(a) will have effect only for the Suspension Period.
- (c) If, at the end of the Suspension Period, there is no effective Court declaration or order that the Major Development SEPP or the Major Development SEPP Amendment is invalid, the parties agree that notwithstanding clause 13.1(a), from (and including) the Suspension Expiry Date:
 - (i) the Land Owner's obligation under this Planning Agreement to pay the Contribution Amount to the Minister has full legal force and effect and where the Land Owner has not paid the whole or any part of Contribution Amount to the Minister by the Suspension Expiry Date, the Land Owner must pay the whole or that part of the Contribution Amount to the Minister by the dates referred to in Schedule 5;
 - (ii) the Land Owner's obligation under this Planning Agreement to transfer or dedicate the Conservation Offset Lands to the Minister has full legal force and effect and where the Land Owner has not transferred or dedicated the whole or any part of Conservation Offset Lands to the Minister by the Suspension Expiry Date, the Land Owner must transfer or dedicate the whole of or that part of the Conservation Offset Lands to the Minister by the date referred to in Schedule 5; and

- (iii) the Land Owner gives its consent to the Minister compulsorily acquiring the Conservation Offset Lands.
- (d) If, at the end of the Suspension Period, there is an effective Court declaration or order that the Major Development SEPP or the Major Development SEPP Amendment is invalid, the parties agree that from (and including) the Suspension Expiry Date:
 - (i) where the Land Owner has:
 - A. not paid the whole or any part of the Contribution Amount to the Minister by the Suspension Expiry Date, the Land Owner has no obligation to pay the whole or that part of the Contribution Amount to the Minister under this Planning Agreement; or
 - B. paid the whole or any part of the Contribution Amount to the Minister by the Suspension Expiry Date, the Minister must repay to the Land Owner, or procure that the Minister for the Environment repays to the Land Owner, the whole or that part of the Contribution Amount (as the case may be) within 20 Business Days after receipt of a notice from the Land Owner requesting payment of the Contribution Amount;
 - (ii) where the Land Owner has:
 - A. transferred the whole or any part of the Conservation Offset Lands to the Minister by the Suspension Expiry Date, the provisions of clause 13.2 apply; or
 - B. not transferred or dedicated the whole or any part of the Conservation Offset Lands to the Minister by the Suspension Expiry Date, the Land Owner has no obligation to transfer or dedicate the whole or that part of the Conservation Offset Lands to the Minister under this Planning Agreement;
 - (iii) the Land Owner has no obligation to register the Planning Agreement in the relevant folios of the register for the Land and the Conservation Offset Lands under clause 9.2, the Release and Discharge Terms will apply;
 - (iv) the Minister has no right to lodge a caveat over the Land and the Conservation Offset Lands and in the event a caveat or caveats have been lodged over the Land and the Conservation Offset Lands under clause 9.4, the Minister must proceed to register at the LPMA a withdrawal of that caveat in respect of that Land and those Conservation Offset Lands within 5 Business Days of that Court declaration or order.

13.2 Re-transfer of the Conservation Offset Lands

- (a) In the event that clause 13.1(d)(ii)A applies, unless agreed otherwise and subject to clause 13.5, if the whole or any part of the Conservation Offset Lands have already been transferred or dedicated by the Land Owner to the Minister or the Minister has compulsorily acquired the Conservation Offset Lands under this Planning Agreement, the Minister agrees to re-transfer or procure the re-transfer to the Land Owner those parts of the Conservation Offset Lands that have been transferred,

dedicated to or compulsorily acquired by the Minister (**Transferred Lands**) in accordance with clause 13.2(b) and clause 13.2(c).

- (b) The Minister shall re-transfer or procure the re-transfer to the Land Owner of the Transferred Lands within 20 Business Days after receipt of a notice from the Land Owner requesting re-transfer to it of the Transferred Lands.
- (c) In the event the Minister is required to re-transfer or procure the re-transfer of the Transferred Lands to the Land Owner pursuant to clause 13.2(b), the Minister agrees to:
 - (i) deliver, or procure to be delivered, to the Land Owner:
 - A. a form of transfer in respect of the Transferred Lands in favour of the Land Owner for a consideration of \$1, executed by the Minister (or, where appropriate the Minister for the Environment) and in registrable form except for acceptance by the Land Owner and marking by the Office of State Revenue;
 - B. the certificate or certificates of title for the Transferred Lands;
 - C. any consents and other documentation in registrable form required for the transfer (and registration) of the Transferred Lands including without limitation any consents and other documentation necessary, or otherwise required by the Land Owner, for the transfer of those parts of the Conservation Offset lands which:
 - 1) are held by the Minister or Minister for the Environment as registered lessee under a perpetual lease; or
 - 2) have been dedicated as state forest;
 - D. any permits in connection with the Conservation Offset Lands including, without limitation, any enclosure permits, and any consents and other documentation in a registrable form necessary, or otherwise required by the Land Owner, for the transfer (and registration) of those permits; and
 - (ii) take any other necessary action (including procuring the transfer of the Transferred Lands to the Land Owner where those Transferred Lands have been transferred to the Minister for the Environment) to give effect to the transfer of the title of the Transferred Lands to the Land Owner free of any encumbrances and affectations that were created after the date that the Minister acquired that land (by way of transfer or compulsory acquisition) other than any obligation to pay any stamp duty and other taxes, charges and imposts in relation to the re-transfer of the Transferred Lands.

13.3 Minister for the Environment's obligations to re-transfer Conservation Offset Lands and repay Contribution Amount

- (a) Where:

- (i) the Minister has transferred the whole or any part of the Conservation Offset Lands to the Minister for the Environment pursuant to paragraph 3 of Schedule 4; and
- (ii) the Minister is required to re-transfer the Transferred Lands to the Land Owner pursuant to clause 13.2(b),

then the Minister for the Environment must, promptly upon written request from the Minister and in any event no later than 20 Business Days after the Minister received notice from the Land Owner requesting the re-transfer of the Transferred Lands:

- (iii) deliver to the Land Owner:
 - A. a form of transfer in respect of the Transferred Lands in favour of the Land Owner for a consideration of \$1, executed by the Minister for the Environment and in registrable form except for acceptance by the Land Owner and marking by the Office of State Revenue;
 - B. the certificate or certificates of title for the Transferred Lands;
 - C. any consents and other documentation in registrable form required for the transfer (and registration) of the Transferred Lands including without limitation any consents and other documentation necessary, or otherwise required by the Land Owner, for the transfer of those parts of the Conservation Offset lands which:
 - 1) are held by the Minister for the Environment as registered lessee under a perpetual lease; or
 - 2) have been dedicated as state forest;
 - D. any permits in connection with the Conservation Offset Lands including, without limitation, any enclosure permits, and any consents and other documentation in a registrable form necessary, or otherwise required by the Land Owner, for the transfer (and registration) of those permits; and
- (iv) take any other necessary action to give effect to the transfer of the title of the Transferred Lands to the Land Owner free of any encumbrances and affectations that were created after the date that the Minister acquired that land (by way of transfer or compulsory acquisition) other than any obligation to pay any stamp duty and other taxes, charges and imposts in relation to the re-transfer of the Transferred Lands.

(b) Where:

- (i) the Land Owner has paid the whole or any part of the Contribution Amount to the Minister;
- (ii) the Minister has paid the whole or that part of the Contribution Amount to the Minister for the Environment; and
- (iii) the Minister is required to re-pay the whole or that part of the Contribution Amount to the Land Owner pursuant to clause 13.1(d)(i)B,

then the Minister for the Environment must, promptly upon written request from the Minister and in any event no later than 20 Business Days after the Minister received notice from the Land Owner requesting repayment of the whole or that part of the Contribution Amount, pay the whole or that part of the Contribution Amount to the Land Owner.

13.4 Not used

13.5 Land Owner, Minister and Minister for the Environment to meet

- (a) Subject to clause 13.5(b), where any Relevant Legal Challenge is commenced and/or where the Court declares or orders the Major Development SEPP or the Major Development SEPP Amendment to be invalid, the Minister, the Minister for the Environment and the Land Owner agree to:
 - (i) meet, no later than 5 Business Days after the date of service of commencement of the Relevant Legal Challenge and after any declaration or order that the Major Development SEPP or the Major Development SEPP is invalid, to discuss in good faith their intentions in relation to that declaration or order, including without limitation any intention to Appeal that declaration; and
 - (ii) consult regularly with the other in relation to any Appeal and must respond within a reasonable period to each other's questions, queries and enquiries and generally keep each other informed regarding the progress of any such Appeal.
- (b) Neither the Minister, the Minister for the Environment nor the Land Owner will be required to meet, or consult, with the other parties pursuant to clause 13.5(a) in circumstances where either the Minister, the Minister for the Environment or the Land Owner receives legal advice that it should not so meet or consult with the other Party in connection with any such declaration or Appeal.
- (c) The parties agree that any discussions held between the parties under the clause 13.5 are confidential and that a common interest between them exists for the purposes of legal professional privilege in connection with those discussions.

14. Release and indemnity

- (a) Subject to this Planning Agreement, the Land Owner agrees that the obligation to provide the Development Contributions is at the risk of the Land Owner. Subject to clause 14(c), the Land Owner releases the Minister from any Claim, liability or loss arising from, and Costs incurred in connection with, the Land Owner's obligation to provide the Development Contributions.
- (b) The Land Owner indemnifies the Minister against all liabilities or loss arising from, and any Costs incurred in connection with the Minister enforcing the Land Owner's obligation to provide the Development Contributions in accordance with this Planning Agreement and/or the Minister exercising the Minister's rights under or by virtue of this Planning Agreement.
- (c) The Land Owner's release in clause 14(a) excludes any Claim, liability or loss arising from and Costs incurred in connection with:
 - (i) the Minister repaying the Contribution Amount or re-transferring the Transferred Lands pursuant to clause 13;

- (ii) the enforcement of this Planning Agreement by the Land Owner; or
- (iii) any Claim against the Minister or the Land Owner relating to or concerning the validity of the Major Development SEPP or the Major Development SEPP Amendment. The indemnity in clause 14(b) is a continuing obligation, independent of the Land Owner's other obligations under this Planning Agreement and continues after this Planning Agreement ends.

15. Overdue Payments

- (a) The Land Owner agrees to pay the Minister interest on any amount payable by it under this Planning Agreement from when it becomes due for payment, during the period that it remains unpaid, on demand or at times determined by the Land Owner, calculated on daily balances. The rate to be applied to each daily balance is the rate 2% per annum above the Bank Bill Rate.
- (b) Interest which is not paid when due for payment may be capitalised by the Minister at intervals which the Minister determines from time to time or, if no determination is made, then on the first day of each month. Interest is payable on capitalised interest at the rate and in the manner referred to in this clause 15.
- (c) The Land Owner's obligation to pay the outstanding amount on the date it becomes due for payment is not affected by any other provision of this Planning Agreement.
- (d) If a liability under this deed becomes merged in a judgment or order, then the Land Owner agrees to pay interest to the Minister on the amount of that liability as an independent obligation. This interest accrues from the date the liability becomes due for payment both before and after the judgment or order until it is paid, at a rate that is the higher of the rate payable under the judgment or order and the rate referred to in this clause 15.

16. Explanatory Note

The Explanatory Note must not be used to assist in construing the Planning Agreement.

17. Effect of Scheduled terms and conditions

The Parties agree to comply with the terms and conditions contained in the Schedules as if those rights and obligations were expressly set out in full in the operative parts of this Planning Agreement.
