The Minister:

- (a) may assign its rights under this Deed to another Minister of the State of New South Wales or to a statutory body representing the Crown without the Developer's consent;
- (b) must require the transferee and the Developer to enter into a deed in form and substance acceptable to the Minister and the Developer each acting reasonably containing provisions under which the transferee and the Developer agree to comply with the terms and conditions of this Deed; and
- (c) will pay the Developer's reasonable Costs in relation to that assignment.

Schedule 5 - General Provisions

1.1 Approvals and Consent

Except as otherwise set out in this Deed, and subject to any statutory obligations, the Minister may give or withhold an approval or consent to be given under this Deed in the Ministers absolute discretion and subject to any conditions determined by the Minister. The Minister is not obliged to give its reasons for giving or withholding consent or for giving consent subject to conditions.

1.2 Costs

- (a) Unless otherwise specified in this Deed, all Costs relating to this Deed are to be borne by the parties in the proportions specified in Schedule 6 and are payable on demand.
- (b) Without limiting paragraph 1.2(a) of this Schedule 5, the Developer agrees to pay or reimburse the Minister within 14 days for:
 - (i) Costs of the Minister in connection with any exercise or non-exercise of rights (including, without limitation, in connection with the contemplated or actual enforcement or preservation of any rights under this Deed) waiver, variation, release or discharge in connection with this Deed; and
 - (ii) Taxes and fees (including, without limitation, registration fees) and fines and penalties in respect of fees which may be payable or determined to be payable in connection with this Deed or a payment or receipt or any transaction contemplated by this Deed.

1.3 Effect of terms and conditions in Schedules

The parties agree to comply with the terms and conditions contained in the Schedules as if those terms and conditions were expressly set out in full in the operative parts of this Deed.

1.4 Entire agreement

The parties intend this Deed to constitute the entire agreement and understanding between them in relation to the subject matters of this Deed and agree that any prior agreements or arrangements between them relating to the subject matter of this Deed are rescinded and have no further force or effect. No party can rely on an earlier document, anything said or done by another party, or by an officer, agent or employee of that party, before the Date of this Deed, except as permitted by law.

1.5 Further acts

Each party must promptly execute all documents and do all things that another party from time to time reasonably requests to affect, perfect or complete this Deed and all transactions incidental to it.

1.6 Governing Law and jurisdiction

This Deed is governed by the law of New South Wales. The parties submit to the non-exclusive jurisdiction of its courts and courts of appeal from them. The parties will not object to the exercise of jurisdiction by those courts on any basis.

1.7 Enforcement

- (a) This Deed may be enforced by either party in any court of competent jurisdiction.
- (b) For the avoidance of doubt, nothing in this Deed prevents:
 - (i) a party from bringing proceedings in the Land and Environment Court to enforce any aspect of this Deed or any matter to which this Deed relates; and
 - (ii) an Authority or the Minister from exercising any function under the EP&A Act or any other Law relating to the enforcement of any aspect of this Deed or any matter to which this Deed relates; and
- (c) The Developer covenants with the Minister that the Developer will not rescind or terminate this Deed or make a claim that this Deed is void, voidable, illegal or unenforceable because a condition in a Planning Consent requires the Developer to enter into the Planning Agreement.
- (d) The Developer indemnifies the Minister against any liability, loss, claim, damages, costs and expenses (including legal fees, costs and disbursements on the higher of a full indemnity basis and a solicitor and own client basis, determined without taxation, assessment or similar process) arising from or incurred in connection with the Developer's breach of any of its obligations under paragraph 1.7(c) of this Schedule 5.
- (e) The indemnity in paragraph 1.7(d) of this Schedule 5 is a continuing obligation, separate and independent from the Developer's other obligations and survives completion, rescission or termination of this Deed.
- (f) It is not necessary for the Minister to incur expense or to make any payment before enforcing the indemnity in clause paragraph 1.7(d) of this Schedule 5.
- (g) The Developer must pay within 14 days any amount it must pay under the indemnity in paragraph 1.7(d) of this Schedule 5.

1.8 No fetter

Nothing in this Deed is to be construed as requiring an Authority (including the Minister) to do anything that would cause it to be in breach of any of its obligations at Law, and without limitation:

- (a) nothing in this Deed is to be construed as limiting or fettering in any way the exercise of any statutory discretion or duty; and
- (b) nothing in this Deed imposes any obligation on an Authority to:
 - (i) grant any Planning Consent; or
 - (ii) exercise any function or power under the EP&A Act in relation to a change, or a proposed change, in an environmental planning instrument.

1.9 Joint and individual liability and benefits

Except as otherwise set out in this Deed, any agreement, covenant, representation or warranty under this Deed by two or more persons binds them jointly and each of them individually, and

any benefit in favour of two or more persons is for the benefit of them jointly and each of them individually.

1.10 Representations and warranties

The Developer represents and warrants that:

- (a) **(power)** it has power to enter into this Deed and comply with its obligations under the Deed;
- (b) **(no contravention or exceeding power)** this Deed does not contravene its constituent documents (if any) or any law or obligation by which it is bound or to which any of its assets are subject, or cause a limitation on its powers or the powers of its officers to be exceeded;
- (c) **(authorisations)** it has in full force and effect the authorisations necessary for it to enter into this Deed to which it is a party, to comply with its obligations and exercise its rights under this Deed and to allow this Deed to be enforced;
- (d) **(validity of obligations)** its obligations under this Deed are valid and binding and are enforceable against it in accordance with the terms of the Deed;
- (e) **(no immunity)** does not have immunity from the jurisdiction of a court or from legal process;
- (f) **(benefit)** it benefits by entering into this Deed to which it is a party; and
- (g) **(capacity)** it does not enter this Deed as an agent for any other person or as trustee of any trust or on behalf or for the benefit of any other person.

The Developer acknowledges that the Minister has entered into this Deed to which it is a party in reliance on the representations and warranties in this paragraph 1.10 of this Schedule 5.

1.11 Severability

- (a) If a clause or part of a clause of this Deed can be read in a way that makes it illegal, unenforceable or invalid, but can also be read in a way that makes it legal, enforceable and valid, it must be read in the latter way.
- (b) If any clause or part of a clause is illegal, unenforceable or invalid, that clause or part is to be treated as removed from this Deed, but the rest of this Deed is not affected.

1.12 Modification

No modification of this Deed will be of any force or effect unless it is in writing and signed by the parties as a Deed.

1.13 Waiver

- (a) The fact that a party fails to do, or delays in doing, something the party is entitled to do under this Deed, does not amount to a waiver of any obligation of, or a breach of obligation by, another party.
- (b) A waiver by a party is only effective if it is in writing.
- (c) A written waiver by a party is only effective in relation to the particular obligation or breach in respect of which it is given. It is not to be taken as an implied waiver

of any other obligation or breach or as an implied waiver of that obligation or breach in relation to any other occasion.

1.14 Confidentiality

The parties agree that the terms of this Deed are not confidential and this Deed may be treated as a public Deed and exhibited or reported without restriction by any party.

1.15 Release and indemnity

- (a) The Developer agrees that the obligation to provide the Contributions is at the risk of the Developer. The Developer releases the Minister from any Claim, liability or loss arising from, and Costs incurred in connection with, the Developer's obligation to provide the Contributions.
- (b) The Developer indemnifies the Minister against all liabilities or loss arising from, and any Costs incurred in connection with the Minister enforcing the Developer's obligation to provide the Contributions in accordance with this Deed and/or the Minister exercising the Minister's rights under or by virtue of this Deed.
