- (b) The Council or the Parkland Trust (as the case may be) having regard to whom of the Council or the Parkland Trust is the beneficiary of a relevant Work will appoint and keep engaged (at the cost of the Developer) the Certifier in connection with the Works. dismissal and the process referred to in clause 3.21(a) will be repeated for the replacement Certifier.

3.22 Certifier to respond

Within 10 Business Days after the receipt of the Developer's request, the Council or the Parkland Trust (as the case may be) having regard to whom of the Council or the Parkland Trust is the beneficiary of a relevant Work will use reasonable endeavours to procure that the Certifier either:

- (a) gives the Developer (with a copy to the Council or the Parkland Trust (as the case may be) having regard to whom of the Council or the Parkland Trust is the beneficiary of a relevant Work at the same time) a Certificate of Practical Completion certifying that a Work has reached Practical Completion; or

3.23 Dispute where no Certificate of Practical Completion

If within 10 Business Days after receipt of the Developer's request the Certifier does not either issue the Certificate of Practical Completion of the Work or give the Developer reasons for not issuing the certificate, then the Council or the Parkland Trust (as the case may be) having regard to whom of the Council or the Parkland Trust is the beneficiary of a relevant Work or the Developer may regard the circumstances as constituting a dispute between the Council or the Parkland Trust (as the case may be) having regard to whom of the Council or the Parkland Trust is the beneficiary of a relevant Work and the Developer.

3.24 Carrying out required work

On receipt of the detailed list referred to in paragraph 3.22(b), the Developer must carry out the work referred to in that list and, on completion of that work, request the Certifier to issue a Certificate of Practical Completion. If the Certifier is satisfied that all such work has been completed in accordance with this Deed then the Council or the Parkland Trust (as the case may be) having regard to whom of the Council or the Parkland Trust is the beneficiary of a relevant Work will use reasonable endeavours to procure that the Certifier issue the Certificate of Practical Completion in respect of the relevant Works within 10 Business Days after receipt of the Developer's request. Otherwise the provision of paragraphs 3.22 - 3.24 inclusive re-apply.

3.25 Prerequisites for Certificate of Practical Completion

Despite paragraph 3.21, the Developer may not request the Certifier to issue a Certificate of Practical Completion unless and until:

- (a) the Developer has given the Council or the Parkland Trust (as the case may be) having regard to whom of the Council or the Parkland Trust is the beneficiary of a relevant Work a draft plan of subdivision or a draft survey of works prepared by a licensed surveyor showing the location of the relevant Work and the location of the relevant Work as shown in that survey is acceptable to the Council or the Parklands Trust (as the case may be), acting reasonably;

- (b) Within 30 Business Days from receiving the draft Routine Maintenance Manual, the Council or the Parklands Trust (as the case may be) agrees to either:
 - (i) approve the Routine Maintenance Manual prepared by the Developer; or
 - (ii) issue to the Developer a notice containing amendments reasonably required to be made to the Routine Maintenance Manual provided by the Developer.

- (c) If the Council or the Parklands Trust (as the case may be) issues a notice under clause 3.27(b)(ii), the Developer must accommodate the amendments required by the Council or the Parklands Trust (as the case may be) in the draft Routine Maintenance Manual and re-submit that plan to the Council or the Parklands Trust (as the case may be) for its approval under clause 3.27(a).
