Schedule 4

Development Contribution (clause 4)

1. Development Contribution

- (a) The Developer undertakes to provide the Development Contribution in the manner set out in the table below:

Development Contribution	Value	Timing
Contribution Amount - Monetary contribution towards designated State public infrastructure	\$9,119 for each proposed Residential Lot in the Development	Pursuant to clause 3 of this Schedule 4

- (b) The Minister and Developer acknowledge and agree that the Development Contribution is the sum of the Contribution Amounts under this deed.

2. Calculation of the value of a Contribution Amount

- (a) A Contribution Amount will be an amount equal to the sum represented by "X" in the following formula:

$$X = N \times \$9,119$$

"N" means the number of Residential Lots in the proposed Mixed Use Development in the Development in respect of which a Construction Certificate is sought.

- (b) On the CPI Adjustment Date, a Contribution Amount is to be adjusted by multiplying the Contribution Amount payable by an amount equal to the Current CPI divided by the Base CPI.
- (c) For the avoidance of doubt, the omission or absence of any adjustment to the Contribution Amount in accordance with clause 2 (b) of this Schedule 4, does not waive the requirement for the Contribution Amount to be adjusted in accordance with that clause.

3. Payment of Contribution Amounts

- (a) The Developer must pay to the Minister or the Minister's nominee the Contribution Amount prior to the issue of the Construction Certificate for the erection of the Mixed Use Development to which the Development Consent for the Development relates.
- (b) The Developer must provide the Minister with not less than 10 Business Days' written notice of its intention to lodge an application for the Construction Certificate.
- (c) The parties agree that the requirement to make a payment under this clause is a restriction on the issue of the Construction Certificate within the meaning of clause 146A of the Regulation.

4. Existing dwellings

- (a) The parties acknowledge that there is one lawfully constructed Dwelling located on the Land at the date of commencement of this deed.
- (b) Notwithstanding clause 1(a) and clause 2 of this Schedule 4, the parties agree that the number of Residential Lots in respect of which the Contribution Amount is to be calculated is reduced by one.

5. Additional contribution amount required if strata plan creates additional Residential Lots

- (a) The purpose of this clause 5 is to ensure that an additional Contribution Amount is paid if the Development Consent for the Development is modified so as to authorise the creation of additional Residential Lots in the Mixed Use Development the subject of the Development Consent after a Contribution Amount has already been paid in accordance with this Schedule 4.
- (b) The Developer agrees that if a strata plan in relation to the Mixed Use Development authorised to be erected by the Development Consent would, on registration, create more than the number of Residential Lots on which the Contribution Amount paid by the Developer in accordance with clauses 2 and 4 of this Schedule 4 was based, the Developer must pay to the Minister, or the Minister's nominee, an additional Contribution Amount calculated by:
 - (i) multiplying the number of additional Residential Lots by \$9,119, and
 - (ii) adjusting the amount so obtained by multiplying it by the Current CPI divided by the Base CPI.
- (c) The Developer must provide the Minister with not less than 10 Business Days' written notice of its intention to make an application for a strata certificate in relation to a strata plan referred to in clause 5 (b) of this Schedule 4.
- (d) The additional Contribution Amount under this clause 5 must be paid before the issue of the relevant Strata Certificate.
- (e) For the purposes of this clause 5, the Current CPI is:
 - (i) if the additional Contribution Amount is to be paid between 1 January and 30 June in any calendar year – the CPI number for the quarter ending on 31 March in the preceding calendar year; and
 - (ii) if the additional Contribution Amount is to be paid between 1 July and 31 December in any calendar year - the CPI number for the quarter ending on 31 March in that calendar year.

Schedule 5

Security terms (clause 6)

1. Developer to provide Security

- (a) In order to secure the payment or performance of the Development Contribution the Developer has agreed to provide the Security.
- (b) The Security must:
 - (i) name the "Minister for Planning and Public Spaces" and the "Department of Planning, Industry and Environment ABN 20 770 707 468" as the relevant beneficiaries; and
 - (ii) not have an expiry date.

2. Security

- (a) The Developer agrees that clause 1, and this clause 2, of Schedule 5 operate as a deed poll in favour of the Minister from the date of execution by the Developer of this deed.
- (b) To avoid doubt, clause 1, and this clause 2, of Schedule 5 commence from the date of execution by the Developer, even though this deed has not commenced pursuant to clause 2.1.
- (c) At the time the Developer executes this deed, the Developer must provide the Security to the Minister having a face value amount of \$72,952 (**Security Amount**) in order to secure the Developer's obligations to make a Development Contribution under this deed when it is executed by the Minister.
- (d) From the date the Developer executes this deed until the date that the Developer has provided the Development Contribution, the Minister is entitled to retain the Security and call upon it in the circumstances set out in clause 3 of this Schedule 5.
- (e) To the extent necessary, the definitions in clause 1 of this deed apply to the construction of the deed poll created by this clause 2 of Schedule 5.
- (f) The deed poll created by this clause 2 of Schedule 5 will cease to operate 6 months from the execution by the Developer of this deed unless the Minister has executed the deed within that period.

3. Claims under Security

- (a) The Minister may:
 - (i) call upon the Security where the Developer has failed to pay a Contribution Amount for the Development on or after the date for payment under this deed; and
 - (ii) retain and apply such monies towards the Contribution Amount and any costs and expenses incurred by the Minister in rectifying any default by the Developer under this deed.
- (b) Prior to calling upon the Security the Minister must give the Developer not less than 10 Business Days written notice of his or her intention to call upon the Security.
- (c) If:

- (i) the Minister calls upon the Security; and
- (ii) applies all or part of such monies towards the Contribution Amount and any costs and expenses incurred by the Minister in rectifying any default by the Developer under this deed; and
- (iii) has notified the Developer of the call upon the Security in accordance with clause 3(b) of this Schedule 5,

then the Developer must provide to the Minister a replacement Security to ensure that at all times until the date that the Security is released in accordance with clause 4 of this Schedule, the Minister is in possession of Security for a face value equivalent to the Security Amount.

4. Release of Security

If:

- (a) the Developer has satisfied all of its obligations under this deed secured by the Security; and
- (b) the whole of the monies secured by the Security has not been expended and the monies accounted for in accordance with clause 3 of this Schedule 5,

then the Minister will promptly return the Security (less any costs, charges, duties and taxes payable), or the remainder of the monies secured by the Security (as the case may be), to the Developer.

5. Substitution of Security and registration on title

- (a) If the Developer provides the Minister with:
 - (i) evidence of registration of this deed on the title to the Land and the Minister is satisfied such registration has been effected; and
 - (ii) security for a face value of \$18,238 (**Replacement Security**),

the Minister will accept the Replacement Security as the Security Amount and return the Security required under clause 2 of this Schedule 5 (**Original Security**) less any costs, charges, duties and taxes payable, or the remainder of the monies secured by the Original Security, to the Developer subject to clause 5(b) of this Schedule 5.

- (b) The Minister will not be obliged to accept the Replacement Security where the Developer is in breach of its obligations under this deed.
- (c) To avoid doubt, the provisions of this Schedule 5 (other than clause 2) apply to the Replacement Security in the same way as they apply to the Original Security.
