 - (iii) enforce or seek to enforce any judgment in respect of a liability under this deed or otherwise against the Trustee in any capacity other than as Trustee of the Trust,
- except under or in connection with clause 11.3(a) above.

- (e) Notwithstanding any other provision of this deed, clauses 11.3(c) and 11.3(d) do not apply to any obligation or liability of the Trustee to the extent to which there is, in respect of that obligation or liability, whether under the Trust Deed or by operation of law, a reduction in the extent of the Trustee's indemnification, or loss of the Trustee's right of indemnification, out of the assets of the Trust as a result of Trustee's failure to properly perform its duties as trustee of the Trust.
- (f) Nothing in clause 11.3(e) will make the Trustee liable for any claim for an amount greater than the amount which the Minister would have been able to claim and recover from the assets of the Trust in relation to the relevant obligation or liability if the Trustee's right of indemnification, out of the assets of the Trust had not been prejudiced by the failure of the Trustee to properly perform its duties.

Schedule 4

Development Contribution (clause 4)

1. Development Contribution

- (a) The Developer undertakes to provide the Development Contribution in the manner set out in the table below:

Development Contribution	Value	Timing
Contribution Amount - Monetary contribution towards designated State public infrastructure	\$3,513.48 for each lot created for the purpose of Residential Accommodation, excluding any Residue Lot and Super Lot, on the Land to which each Subdivision Certificate application relates.	Pursuant to clause 3 of this Schedule 4

- (b) The Minister and Developer acknowledge and agree that the Development Contribution is the sum of the Contribution Amounts under this deed.

2. Calculation of the value of a Contribution Amount

- (a) Each Contribution Amount will be an amount equal to "X" in the following formula:

$$X = N \times \$3,513.48$$

"N" means the number of lots created for the purpose of Residential Accommodation, excluding any Residue Lot and Super Lot, on the Land that is the subject of the relevant Subdivision Certificate.

- (b) To avoid doubt, a lot that is only partly located on the Land is to be included in the number of lots, N, for the purpose of clause 2(a) above, if it is otherwise a lot referred to in the definition.
- (c) Each Contribution Amount is to be adjusted, at time of payment, by multiplying the Contribution Amount payable by an amount equal to the Current CPI divided by the Base CPI.
- (d) For the purposes of this clause 2, the Current CPI is:
- (i) if the Contribution Amount is paid between 1 January and 30 June (inclusive) in any calendar year – the CPI number for the quarter ending on 31 March in the preceding calendar year; and
 - (ii) if the Contribution Amount is paid between 1 July and 31 December (inclusive) in any calendar year – the CPI number for the quarter ending on 31 March in that calendar year.

3. Payment of Contribution Amounts

- (a) The Developer must pay to the Minister or the Minister's nominee each Contribution Amount prior to the issue of the relevant Subdivision Certificate.

- (b) The Developer must provide the Minister with not less than 10 Business Days' written notice of its intention to lodge an application for the relevant Subdivision Certificate.
- (c) The parties agree that the requirement to make a payment under this clause is a restriction on the issue of the relevant Subdivision Certificate within the meaning of section 6.15(1)(d) of the Act.

Schedule 5

Security terms (clause 6)

1. Developer to provide Security

- (a) In order to secure the payment or performance of the Development Contribution the Developer has agreed to provide the Security.
- (b) The Security must:
 - (i) name the "Minister administering the *Environmental Planning and Assessment Act 1979*" and the "Department of Planning and Environment ABN 20 770 707 468" as the relevant beneficiaries; and
 - (ii) not have an expiry date.

2. Security

- (a) The Developer agrees that clause 1, and this clause 2, of Schedule 5 operate as a deed poll in favour of the Minister from the date of execution by the Developer of this deed.
- (b) To avoid doubt, clause 1, and this clause 2, of Schedule 5 commence from the date of execution by the Developer, even though this deed has not commenced pursuant to clause 2.1.
- (c) At the time the Developer executes this deed, the Developer must provide the Security to the Minister having a face value amount of \$2,149,247.60 (**Security Amount**) in order to secure the Developer's obligations to make a Development Contribution under this deed when it is executed by the Minister.
- (d) From the date the Developer executes this deed until the date that the Developer has provided the Development Contribution, the Minister is entitled to retain the Security and call upon it in the circumstances set out in clause 3 of this Schedule 5.
- (e) To the extent necessary, the definitions in clause 1 of this deed apply to the construction of the deed poll created by this clause 2 of Schedule 5.
- (f) The deed poll created by this clause 2 of Schedule 5 will cease to operate 6 months from the execution by the Developer of this deed unless the Minister has executed the deed within that period.

3. Claims under Security

- (a) The Minister may:
 - (i) call upon the Security where the Developer has failed to pay a Contribution Amount for the Development on or after the date for payment under this deed; and
 - (ii) retain and apply such monies towards the Contribution Amount and any costs and expenses incurred by the Minister in rectifying any default by the Developer under this deed.
- (b) Prior to calling upon the Security the Minister must give the Developer not less than 10 Business Days written notice of his or her intention to call upon the Security.
- (c) If:

- (i) the Minister calls upon the Security; and
- (ii) applies all or part of such monies towards the Contribution Amount and any costs and expenses incurred by the Minister in rectifying any default by the Developer under this deed; and
- (iii) has notified the Developer of the call upon the Security in accordance with clause 3(b) of this Schedule 5,

then the Developer must provide to the Minister a replacement Security to ensure that at all times until the date that the Security is released in accordance with clause 4 of this Schedule 5, the Minister is in possession of Security for a face value equivalent to the Security Amount.

4. Release of Security

If:

- (a) the Developer has satisfied all of its obligations under this deed secured by the Security; and
- (b) the whole of the monies secured by the Security has not been expended and the monies accounted for in accordance with clause 3 of this Schedule 5,

then the Minister will promptly return the Security (less any costs, charges, duties and taxes payable), or the remainder of the monies secured by the Security (as the case may be), to the Developer.

5. Substitution of Security and registration on title

- (a) If the Developer provides the Minister with:
 - (i) evidence of registration of this deed on the title to the Land and the Minister is satisfied such registration has been effected; and
 - (ii) Security for a face value of \$20,000 (**Replacement Security**),

the Minister will accept the Replacement Security as the Security Amount and return the Security required under clause 2 of this Schedule 5 (**Original Security**) less any costs, charges, duties and taxes payable, or the remainder of the monies secured by the Original Security, to the Developer subject to clause 5(b) of this Schedule 5.

- (b) The Minister will not be obliged to accept the Replacement Security where the Developer is in breach of its obligations under this deed.
- (c) To avoid doubt, the provisions of this Schedule 5 (other than clause 2) apply to the Replacement Security in the same way as they apply to the Original Security.
