Base PPI number means the PPI number for the June quarter 2023 (Q2).

- (b) No later than 10 Business Days before the Developer intends to lodge an application for the first Construction Certificate for or commence works to erect a Dwelling in the Development authorised by a Development Consent to the Development (as the case may be), the Developer must provide the Minister with the following:

- (d) To avoid doubt, the Developer agrees that if the first Construction Certificate has been issued, or the erection of a Dwelling has commenced, as referred to in clause 3(a) of this Schedule 4 before the commencement of this deed, it is required to pay the Minister the Development Contribution. The Development Contribution must be paid within five (5) Business Days of that commencement.

- (c) At the time the Developer executes this deed, the Developer must provide the Security to the Minister having a face value amount of \$2,250,000 in order to secure the Developer’s obligations to make a Development Contribution under this deed when it is executed by the Minister.
- (d) If the Developer has not provided the Development Contribution to the Minister by 1 July 2024, the Developer must provide additional Security to the Minister so that the Minister is in possession of Security that has a face value amount equivalent to 75% of the value of the Development Contribution as if the time of payment were 1 July 2024, as calculated in accordance with clause 2(a) of Schedule 4, and adjusted in accordance with clause 2(b) of Schedule 4, in order to secure the Developer’s obligations to make the Development Contribution under this deed.
- (e) If the Developer has not provided the Development Contribution to the Minister by 1 July 2025, the Developer must provide additional Security to the Minister so that the Minister is in possession of Security that has a face value amount equivalent to 100% of the value of the Development Contribution as if the time of payment were 1 July 2025, as calculated in accordance with clause 2(a) of Schedule 4, and adjusted in accordance with clause 2(b) of Schedule 4, in order to secure the Developer’s obligations to make the Development Contribution under this deed.

(**Notice**). The Developer must within 10 Business Days of the date of the Notice provide the Minister with additional Security in the amount specified in the Notice.

- (g) From the date the Developer executes this deed until the date that the Developer has provided the Development Contribution, the Minister is entitled to retain the Security and call upon it in the circumstances set out in clause 3 of this Schedule 5.
- (h) To the extent necessary, the definitions in clause 1 of this deed apply to the construction of the deed poll created by this clause 2 of Schedule 5.
- (i) The deed poll created by this clause 2 of Schedule 5 will cease to operate 9 months from the execution by the Developer of this deed unless the Minister has executed the deed within that period.

then the Minister will return the Security (less any costs, charges, duties and taxes payable), or the remainder of the monies secured by the Security (as the case may be), to the Developer within 20 Business Days.

- (b) Nothing in clause 10.3(c)(iii) or this clause 4 of Schedule 5 requires the Minister to return the Security to the Developer until such time as the Developer has remedied any breach of the Developer's obligations under this deed where that breach arose before the Effective Date.

5. Substitution of Security and registration on title

- (a) If the Developer provides the Minister with:
