Land (clause 1.1)

1. Lots proposed for development

Lot	Deposited Plan	Folio Identifier
103	1268366	103/1268366

## Schedule 4

### Development Contribution (clause 4)

#### 1. Development Contribution

- (a) For the purposes of this Schedule:
- (i) **Net Developable Area**, in relation to each Relevant Part of the Land, means the net developable area of that part as defined and determined in accordance with Schedule 5; and
  - (ii) **Relevant Part of the Land** means that part of the Land on which Development Consent to Concept Development Application SSD-37486043 authorises the carrying out of development in accordance with detailed proposals in that application (described as “Stage 2” of the Oakdale Industrial Estate development in the EIS) and any other part of the Land to which a subsequent Development Consent for a further stage of the Development applies.
- (b) The Developer undertakes to provide the Development Contribution in the manner set out in the table below:

Development Contribution	Value	Timing
Contribution Amount - Monetary contribution towards regional transport infrastructure and services	\$226,193 per hectare of Net Developable Area of each Relevant Part of the Land	Pursuant to clauses 3 and 4 of this Schedule 4

- (c) The Minister and Developer acknowledge and agree that the Development Contribution is the sum of the Contribution Amounts under this deed.

#### 2. Calculation of the value of a Contribution Amount

- (a) Each Contribution Amount will be an amount equal to “X” in the following formula:
- $$X = N \times \$226,193$$
- “N” means the number of hectares comprised in the Net Developable Area of the Relevant Part of the Land.
- (b) Each Contribution Amount is to be adjusted, at time of payment, by multiplying the Contribution Amount payable by an amount equal to the Current CPI divided by the Base CPI.
- (c) For the purposes of this clause 2, the Current CPI is:
- (i) if the Contribution Amount is paid between 1 January and 30 June (inclusive) in any calendar year – the CPI number for the quarter ending on 31 March in the preceding calendar year; and

- (ii) if the Contribution Amount is paid between 1 July and 31 December (inclusive) in any calendar year – the CPI number for the quarter ending on 31 March in that calendar year.

### 3. Payment of Contribution Amounts

- (a) The Developer must pay to the Minister each Contribution Amount prior to the issue of the first Construction Certificate for any building or part of a building on the Relevant Part of the Land.
- (b) The Developer must provide the Minister with not less than 10 Business Days' written notice of its intention to lodge an application for the relevant Construction Certificate.
- (c) The parties agree that the requirement to:
  - (i) make a payment under this clause 3 of Schedule 4; or
  - (ii) use the Excess Contributions Credit generated under the Oakdale West Estate Planning Agreement, under clause 4 of Schedule 4,

is a restriction on the issue of any Construction Certificate for a building or part of a building within the meaning of section 21 of the *Environmental Planning and Assessment (Development Certification and Fire Safety) Regulation 2021*.

### 4. Use of Excess Contribution Credits to satisfy obligation to pay Contribution Amounts

- (a) The Minister and the Developer acknowledge that, as at 1 July 2023:
  - (i) Goodman has an Excess Contributions Credit generated under the Oakdale West Estate Planning Agreement in the amount of \$22,576,932.04, which may be used to discharge an External WSEA Obligation; and
  - (ii) Goodman Property Services (Aust) Pty Ltd (ACN 088 981 793) (**Goodman**), together with BGA1 12 Pty Ltd (ACN 637 474 545) in its capacity as trustee of the BGA1 1 Oakdale East Trust (**BGA1 12**), has an Offset Amount generated under the Oakdale East Stage 1 Planning Agreement in the amount of \$2,647,325.86, which may be used to discharge an obligation to make a development contribution relating to the provision of regional transport infrastructure and services on land to which the former *State Environmental Planning Policy (Western Sydney Employment Area) 2009* applied; and
  - (iii) the Development Contribution estimated to be payable under this deed is \$11,140,570.73 based on an estimate of the Net Developable Area of the Land of 49.2525 hectares.
- (b) The Developer agrees to use Goodman's Excess Contributions Credit to discharge its obligations under this deed to pay the Contribution Amounts comprising the Development Contribution, in priority to paying those amounts. The Minister agrees that the Developer may use the Offset Amount, with the written consent of BGA1 12, as well as the Excess Contributions Credit, to discharge its obligations.
- (c) The provision of the written notice of the intention to apply for a Construction Certificate as referred to in clause 3(b) of this Schedule 4 is taken also to be a notice to the Minister that the Developer is seeking to use its Excess Contributions Credit to discharge its obligation to pay the relevant Contribution Amount for the purposes of clause 4.3(g) of Schedule 4 to the Oakdale West Estate Planning Agreement, unless the Developer advises the Minister in the

written notice that it wishes to use the Offset Amount instead of, or in addition to, the Excess Contributions Credit.

- (d) To avoid doubt:
  - (i) the Minister agrees that, despite clause 4.3(f) of Schedule 4 to the Oakdale West Estate Planning Agreement, Goodman may, and is required to, use its Excess Contributions Credit, to discharge the Developer's obligations under this deed despite not being the owner of the Land; and
  - (ii) after the Excess Contribution Credit or the Offset Amount have been used to discharge obligations under this deed, to the extent required, any remaining Excess Contributions Credit or Offset Amount may be used in the future to discharge other obligations as provided for in the Oakdale West Estate Planning Agreement and the Oakdale East Stage 1 Planning Agreement, respectively.
- (e) Goodman is taken to have surrendered its Excess Contributions Credit or Offset Amount, or both, to the extent notified by the Minister in writing to Goodman and indicated on the contributions credit schedule referred to in clause 4.3 of Schedule 4 to the Oakdale West Planning Agreement (**contributions credit schedule**) or on the Offset Certificate referred to in clause 5.2(c) of Schedule 4 to the Oakdale East Stage 1 Planning Agreement, respectively.
- (f) The Developer agrees that if a Construction Certificate relating to the Development has been issued (whether before or after the commencement of this deed) and the obligation to pay a Contribution Amount has not been satisfied before the issue of the certificate by the use of the Excess Contributions Credit or the Offset Amount, the Minister may notify Goodman, in writing, that it has surrendered so much of the Excess Contributions Credit as is indicated on the updated contributions credit schedule, being an amount equivalent to the sum of:
  - (i) the Contribution Amount; and
  - (ii) in the case only of a Construction Certificate issued after the commencement of this deed – any interest payable under clause 5.1.

## 5. Works in kind

The Developer may request that the Minister consider a proposal for the Developer to carry out works in kind to discharge future obligations under this deed to make contributions in Western Sydney Employment Area, being the land to which the former *State Environmental Planning Policy (Western Sydney Employment Area) 2009* applied.

5.
