Attention: Eleanor Robertson

Dear Ms Robertson

**Request for Gateway Extension – Removal of Clause 4.1A from Campbelltown LEP 2015
PP_2018_CAMPB_008_00**

I refer to the Gateway Determination dated 13 December 2019 for the above Planning Proposal. The determination will expire on 6 May 2020.

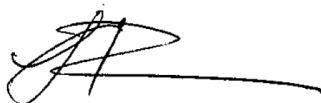

Council is seeking a further extension of 6 months to complete the remaining stages of the LEP process.

Council has consulted with the Rural Fire Service as a condition of Gateway Determination, although no comments have been received. Council is now ready to exhibit the planning proposal but is aware that the expiry of the Gateway Determination would delay exhibition. Accordingly, an extension of the determination is requested.

Council will continue to formally notify the Department with quarterly updates on the progress of the Planning Proposal.

If you require further information please contact Graham Pascoe on (02) 4645 4666.

Yours sincerely

Fletcher Rayner
