Dear Madam

**Extension to Gateway Determination (PP_2018_PENRI_002_00)
57 Henry Street, Penrith Planning Proposal**

I am writing to request an extension to the Gateway Determination issued on 26 October 2018 for the 57 Henry Street, Penrith Planning Proposal.

The Planning Proposal was publicly exhibited from 31 May to 30 June 2019. During the exhibition period Council received 42 public submissions, which raise issues for consideration in relation to the proposed built form, height, heritage impact, traffic impacts and several other issues. Council officers are currently addressing the issues raised.

Council has also received agency submissions in relation to the proposal. The Roads and Maritime submission has requested additional information in relation to the proponent's traffic assessment. This matter is currently being addressed by the proponent. We are also awaiting a submission from the NSW State Emergency Service.

As the Gateway expires on 26 October 2019, Council requests a 6-month extension to allow sufficient time for the outstanding issues to be resolved and for the LEP process to be completed.

Should you wish to discuss this request, please contact Joel Carson – Senior Planner on (02) 4732 8098 or at joel.carson@penrith.city.

Yours sincerely

Abdul Cheema
City Planning Coordinator
