Dear Mr McKee

Thank you for Council's letter requesting the revised planning proposal for PP_2018_KURIN_005_00 be reviewed, and if satisfactory, approved for public exhibition in accordance with condition 2 attached to the Gateway determination issued on 13 May 2019.

I have reviewed the revised proposal and consider that Council has adequately satisfied Gateway determination condition 1(a) to (f). I consequently endorse exhibition of the revised proposal, subject to Council's removal of item 109 on page 4 of the proposed mapping amendments section of the proposal.

A copy of the amended proposal, with deletion of reference to item 109, has been uploaded to the Department's LEPs online website.

If you have any more questions, please contact Alicia Hall, Planning Officer, Western District, at the Department on 9860 1587.

Yours sincerely
