

921 Punchbowl Road, Punchbowl
On-going Waste Management plan

Two levels of Basement Car parking in which:

- Basement 1 holds Car parking for visitors from block A & B, with 350m² of Waste Capacity.
- Basement 2 serves as Service Area, with a Car parking usage of 207 spaces.

The Garbage room is situated adjacent to Storage area, on the North Western side of the Carpark behind the courier bay and accessible parking.

Furthermore Bin/Waste collection rooms are situated near entry ramps into Basement 1 for onsite collection by private contractor. Therefore, Basement 1 has a minimum floor to ceiling height of 3.5m to ensure access to Garbage disposal vehicles using the space. PDF's have been attached to this document to show Garbage disposal accessibility through ramp access, and clearance.
