RECORDS

Dear General Manager

I refer to your correspondence dated 23 October 2013 to the Office of Environment and Heritage (OEH) inviting comment on a Planning Proposal for the site known as 266 Longueville Road, Lane Cove.

OEH has reviewed the relevant documents. OEH supports the conclusion that development of the western portion of the site for residential purposes will not impact on any threatened species, populations or ecological communities or habitats subject to implementation of recommended measures to offset any impacts as proposed in the *Flora, Fauna and Fungghi Surveys and Ecological Assessment Report* by Applied Ecology dated 2012.

If you require further details or clarification on any matters raised in this response please contact Rachel Lonie Conservation Planning Officer on 9995 6837 or by email at rachel.lonie@environment.nsw.gov.au (please note work days are generally Mondays and Wednesdays).

Yours sincerely

S. Harrison 04/11/13
